DETAILED ACTION

Election/Restrictions

1. Restriction is required under 35 U.S.C. 121 and 372.

This application contains the following inventions or groups of inventions which are not so linked as to form a single general inventive concept under PCT Rule 13.1.

In accordance with 37 CFR 1.499, applicant is required, in reply to this action, to elect a single invention to which the claims must be restricted.

Group I, claim(s) 1-34, 53 and 54, drawn to method of diminishing optical defects and deviations with special technical features directed to a rotation axis.

Group II, claim(s) 43-44, drawn to a method of diminishing optical defect and deviations comprising the special technical feature of including at least one additional camera.

Group III, claim(s) 45-51 and 55-68, drawn to an optical rotation device comprising special technical feature of a rotatable mount which holds a column containing an optical part.

2. The inventions listed as Groups I, II and III do not relate to a single general inventive concept under PCT Rule 13.1 because, under PCT Rule 13.2, they lack the same or corresponding special technical features for the following reasons: Each of the group's independent claims cite special technical features which cause for different search.

3. Applicant is advised that the reply to this requirement to be complete must include an election of the invention to be examined even though the requirement be traversed (37 CFR 1.143).
